

From the City Camera Policy, September 2014:

“To maintain an informed community the City will list on its web page information describing the purpose and location of CCTV cameras and the policy for its use. Additionally any individual civic groups classes etc may contact the police department to schedule a tour demonstration of the CCTV monitoring point located in the police department”

“Location of closed circuit TV cameras:

Cameras are in operation at the Dream Park/Erickson Skate Park, Francis Street Park, and the City Pier/Waterfront Park/Discovery Trail area, Laurel Stairs, Zigzag and City Hall.

Purpose of City closed circuit TV cameras (CCTV):

- 1 Promote a safe environment by deterring acts of theft vandalism harassment and or assault
- 2 Assist in the identification of individuals involved in criminal activity on City owned or managed property
- 3 Assist in the safe daily operation of City parks and related facilities
- 4 Assist law enforcement agencies in investigating criminal activity”.
